

## MEMORANDUM

FOR:

All Members of the "Pioneers' Re-encounter: The Fathers of our Constitution in a Fishbowl"  
Amsterdam Congress, Wednesday August 30, 1989  
From 10:45 a.m. to 12:30 p.m. Check for room in the program.

FROM: Juan Campos Avillar

DATE: 25 de Agosto de 1989

Our party finally adds up to nine people: Zerca Moreno, Elisabeth Foulkes, Anne Ancelin Schützenberger, Raymond Battegay, Max Rosenbaum, and myself. Ana Pampliega de Quiroga and Bernardo Blay-Neto have finally confirmed their participation, and Janine Puget will take the place of Raul Usandivaras who will not be able to come.

Notice the meeting is Wednesday 30th, not September 1<sup>st</sup> as I told you by in my last circular letter by mistake. Elisabeth agreed to chair the meeting so that I may concentrate on the role of master of ceremonies and group interviewer. Please, try to adhere to instruction suggested in my circular letter of June 17th. (I have extra copies to spare) We count with 105 minutes (seven 3/4 of an hour, 105 minutes altogether).

As for the actual development of the meeting I propose that I shall start it by a brief introduction (maximum 15'), to be followed by a more formal presentation of written statements prepared, ten minutes each (Raymond's as a jumping board), and then those of Anne, Elisabeth and Zerca, what puts us up to the minute 55. Then for the next half hour Max, Ana, Janine and Bernardo will freely resonate from their respective North and South American points of view. We are left with 20 minutes for free floating cross questioning and conclusions.

The meeting is going to be videotaped and if Max brings Dr. Hadden's interview this will be shown during lunch hour that immediately follows.

I can be reached at NOVOHOTEL from Saturday evening onwards. Anyhow, I propose we meet for breakfast there at 7:30 a.m. on the same Wednesday. Till then.
